

Opportunities at Morgan Stanley Asia Pacific Summer Analyst Opportunities - Investment Banking

Dear Peking Students,

Morgan Stanley Asia Pacific Investment Banking is presently recruiting for **2005 Summer Analyst positions**. We invite interested students (Graduating 2006) to submit their resumes by **March 16, 2005**.

Morgan Stanley has had a longstanding presence in Asia Pacific, and a serious commitment to the region in terms of capital and resources. With offices in Bangkok, Beijing, Hong Kong, Melbourne, Mumbai, Seoul, Shanghai, Singapore, Sydney and Taipei the Firm has over 1,300 employees in the region. Our recent awards include:

- Best Foreign Investment Bank in China (*Finance Asia, 2004*)
- Best M&A House in Hong Kong, Korea & Taiwan (*Euromoney, 2004*)
- Best M&A House in Asia (*Euromoney, 2004*)
- Ranked 3rd Best Employer in Hong Kong, (Hewitt Associates, "Best Employers in Asia Survey", 2003)

About Investment Banking

Morgan Stanley advises blue-chip clients in Asia on sourcing capital from the international and domestic capital markets as well as providing advice in connection with both cross-border and local mergers, acquisitions and divestitures. Other advisory assignments include privatization, restructuring, merchant banking, project finance and real estate.

Come Meet Us

Date: Tuesday, March 8, 2005
Time: 7:00 pm - 8:00 pm
Location: Multifunctional Hall - the 2nd Floor, Wanzhong Building
China Center for Economic Research, 165, Lang Run Yuan, Peking University

Summer Program Description

Responsibilities: The Summer Analyst program is 10 weeks in length and is designed to provide a realistic view of investment banking by having Summer Analysts assume the functions of full-time Analysts, spending the summer assigned to a specific group.

Summer Analysts will work on a variety of transactions and begin to obtain a strong foundation in the basic skills of financial analysis, deal execution as well as learning to market the Firm's products and services effectively.

Qualifications: Bachelor or Masters Degree (Graduating in 2006) expected.

Attributes:

- Both oral and written **fluency** in English.
- Strong interest in finance/investment banking.
- Teamwork initiative, enthusiasm and motivation.
- Commitment and strong work ethic.
- Ability to multi-task and prioritize.

How to apply: Please apply only via our on-line application at www.morganstanley.com/careers
Please select the **Asia Pacific Region – Summer Analyst** application.

Application Deadline: **Wednesday, March 16, 2005**
