

## 2007 Goldman Sachs Asia Summer Analyst Job Description

**Application Deadline:** January 14, 2007

**Application Instructions:** Please apply through our Global Apply Online System at [www.gs.com/careers](http://www.gs.com/careers)

Throughout Asia and the rest of the world, Goldman Sachs is a place where ideas and creativity flourish and where your efforts can drive real and lasting change. Join us to acquire new skills, apply them to some of the world's most interesting business challenges and learn from experience.

Working with us is a fast-paced, high-energy experience that can help you find the best place for your talents. Our team includes people with varied skills and backgrounds working in a broad range of businesses. We offer analysts a chance to build a broad-based skill set that in turn provides them with a breadth of opportunities across all levels, regions and business areas.

At Goldman Sachs, you will find yourself in a team-based, collegial environment where people take the time to properly train, mentor and support you. Our training program is an important part of our culture that will help to maximize your personal and professional development. You will be working alongside a talented and diverse group of colleagues that focus on teamwork, integrity, meritocracy, excellence, client focus and entrepreneurial spirit.

### **Goldman Sachs Asia**

Goldman Sachs is a leading global investment banking, securities and investment management firm that provides a wide range of services worldwide to a substantial and diversified client base that includes corporations, financial institutions, governments and high net worth individuals. Founded in 1869, it is one of the oldest and largest investment banking firms. The firm is headquartered in New York and maintains offices in London, Frankfurt, Tokyo, Hong Kong and other major financial centers around the world.

Goldman Sachs has been setting the standard for innovation, performance and service in the investment banking, securities and investment management industry in the Asia region for over 30 years. With offices in all the major Asian financial centers, Goldman Sachs offers long-term, intellectually stimulating careers to individuals with energy and vision.

In the Asia ex-Japan region we have three major hubs: Beijing, Hong Kong and Singapore. Since the 1983 opening of our Hong Kong office, we have broadened our Asian operations by opening new offices in the major hubs, as well as in Taipei, Seoul and Shanghai.

### **Goldman Sachs Gao Hua**

Goldman Sachs Gao Hua Securities Company Limited is a joint venture between leading global investment bank Goldman Sachs and a newly established domestic securities firm, Beijing Gao Hua Securities Company Limited. The company is headquartered in Beijing.

Established in December 2004, Goldman Sachs Gao Hua offers a wide range of investment banking services to domestic mainland China clients, including underwriting locally listed "A" share transactions and RMB-denominated corporate bonds and convertible bonds, as well as offering domestic financial advisory and other services.

### **Gao Hua**

Beijing Gao Hua Securities Company Limited is a fully licensed domestic securities firm. Headquartered in Beijing, Gao Hua is engaged in securities brokerage and proprietary trading businesses.

Gao Hua was established in late 2004 by a group of investors led by experienced China investment banker Mr. Fang Fenglei and China's leading conglomerate Legend Holdings Ltd. Gao Hua Securities has in place a number of cooperation agreements with Goldman Sachs which has enabled it to develop the first global standard securities trading system in China, and a business model and client service standard based on and consistent with that of Goldman Sachs.
